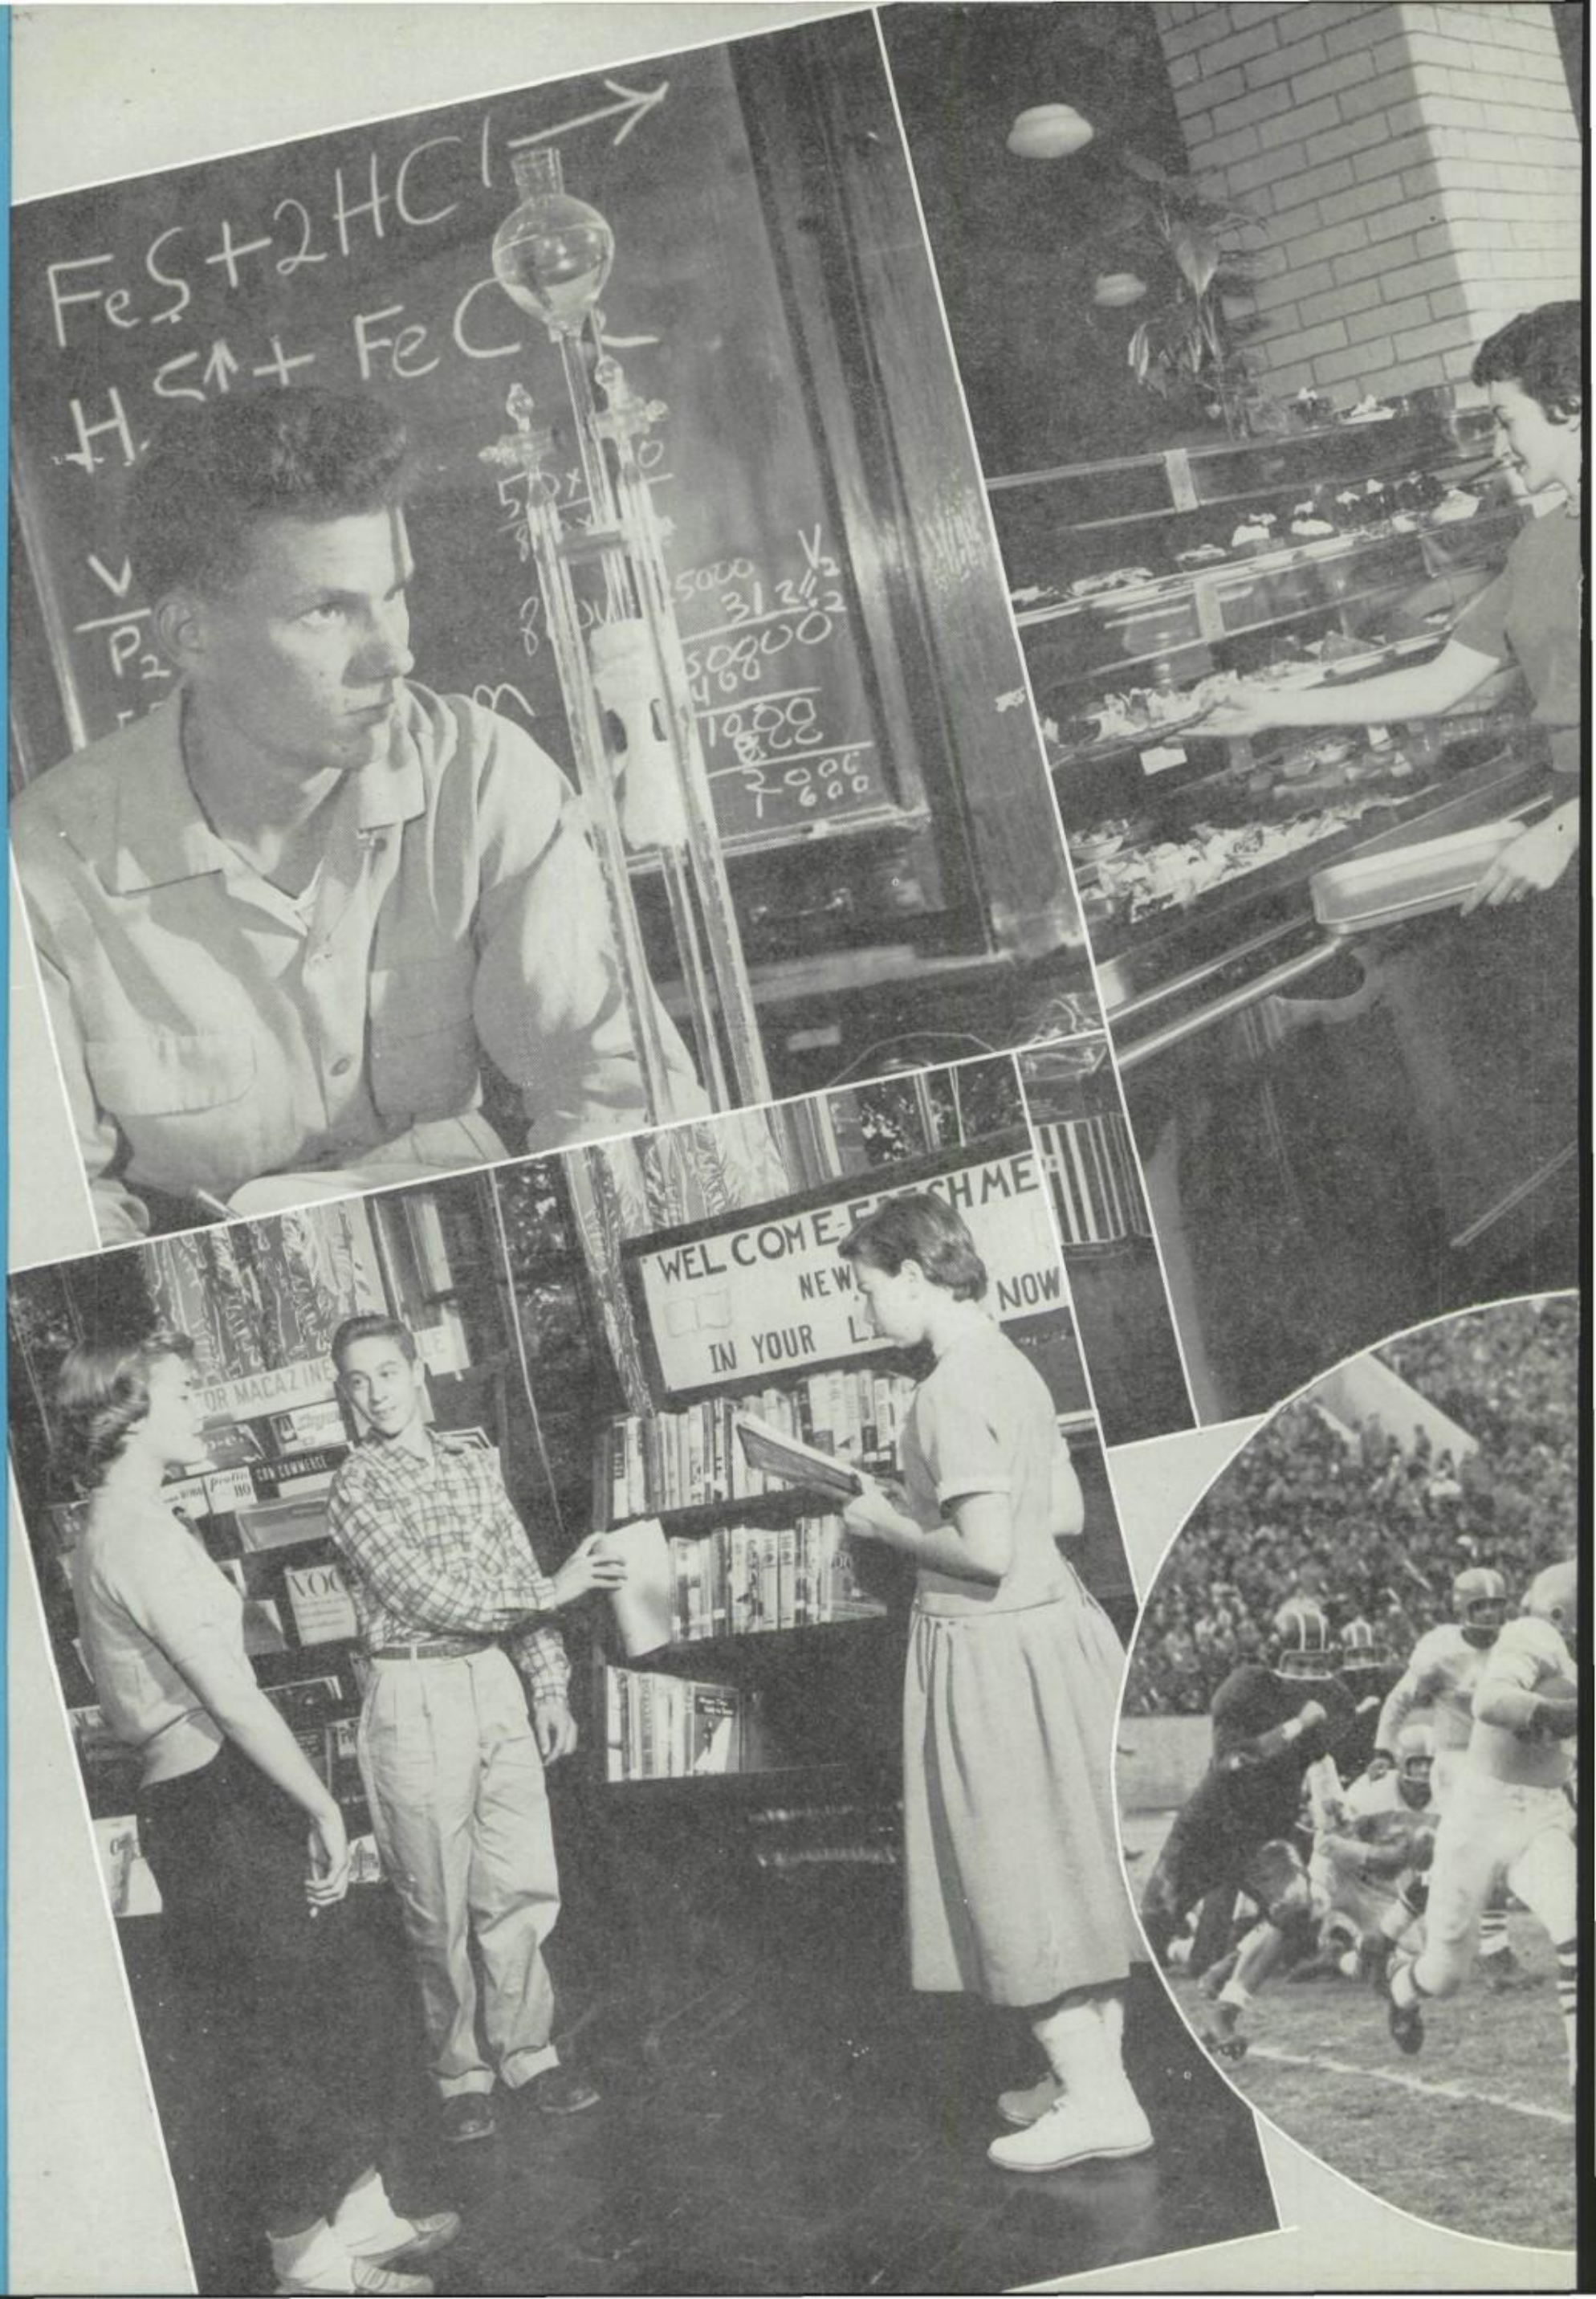
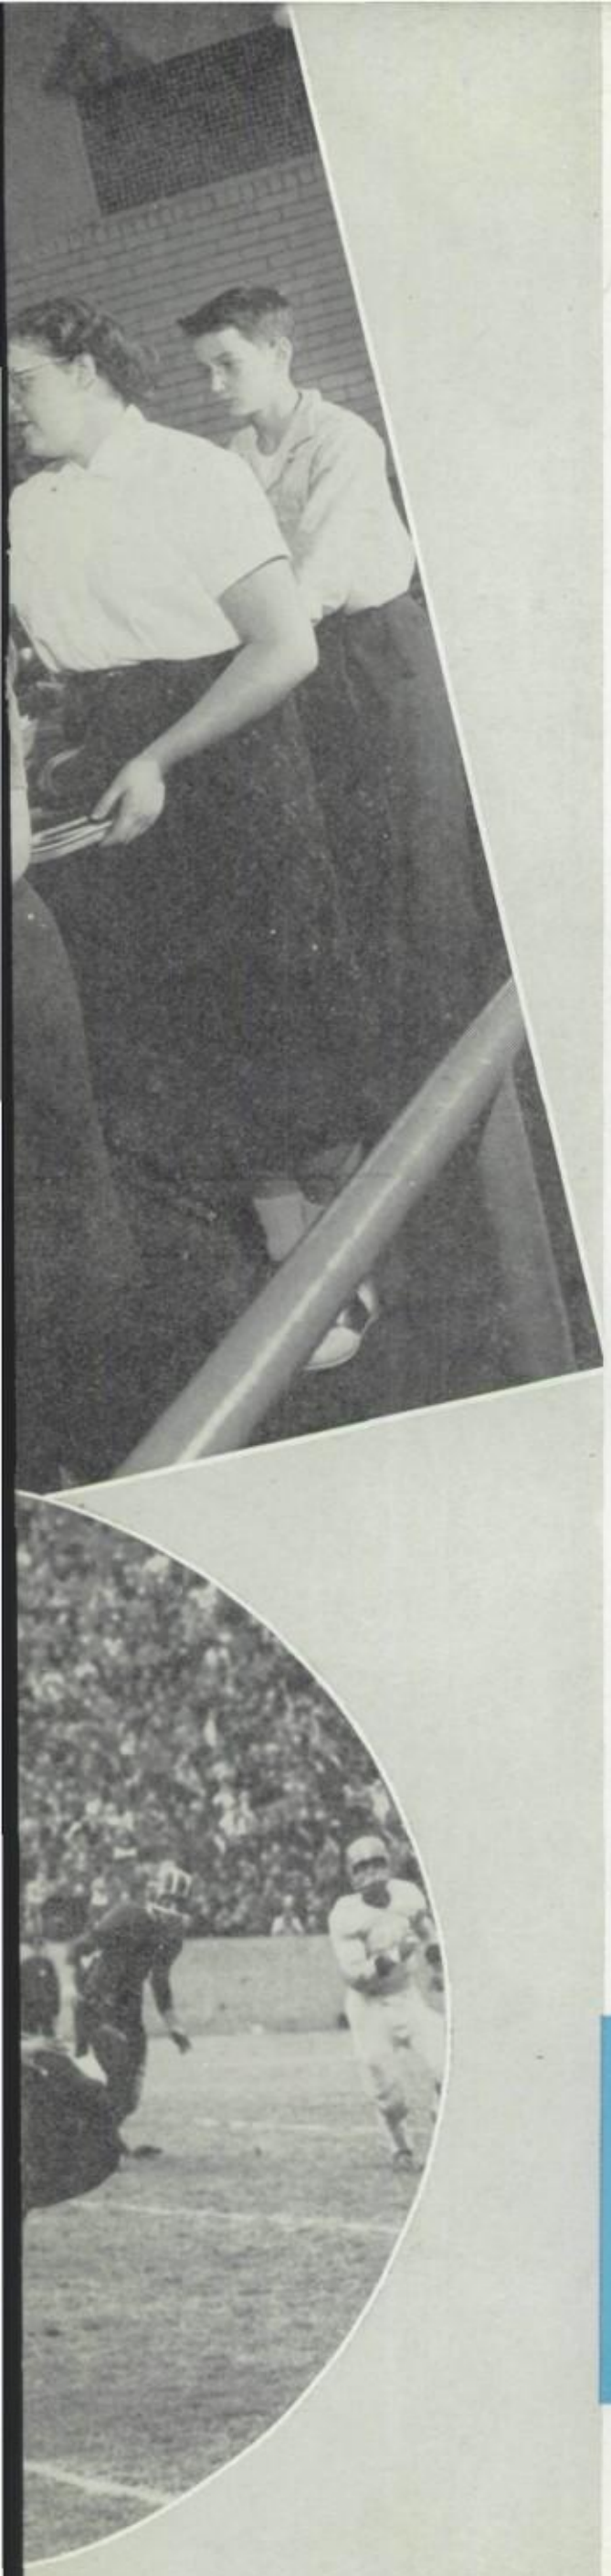
CALUMET HIGH SCHOOL REVIEWS MEMORABLE EVENTS . . .

The days we have spent at Calumet have been richly blessed. Over the years our halls have echoed with the voices and laughter of many students. Now we are about to leave. Each of us will carry away with him not only the knowledge which he has gleaned, but also the pleasant recollections and memories of happy associations with friends and teachers. As you turn these pages, we hope, you too will capture these precious moments and imprint them on your memory forever.



FeS+2HCl
WELCOME
IN YOUR



WE'LL HAVE THESE . . .

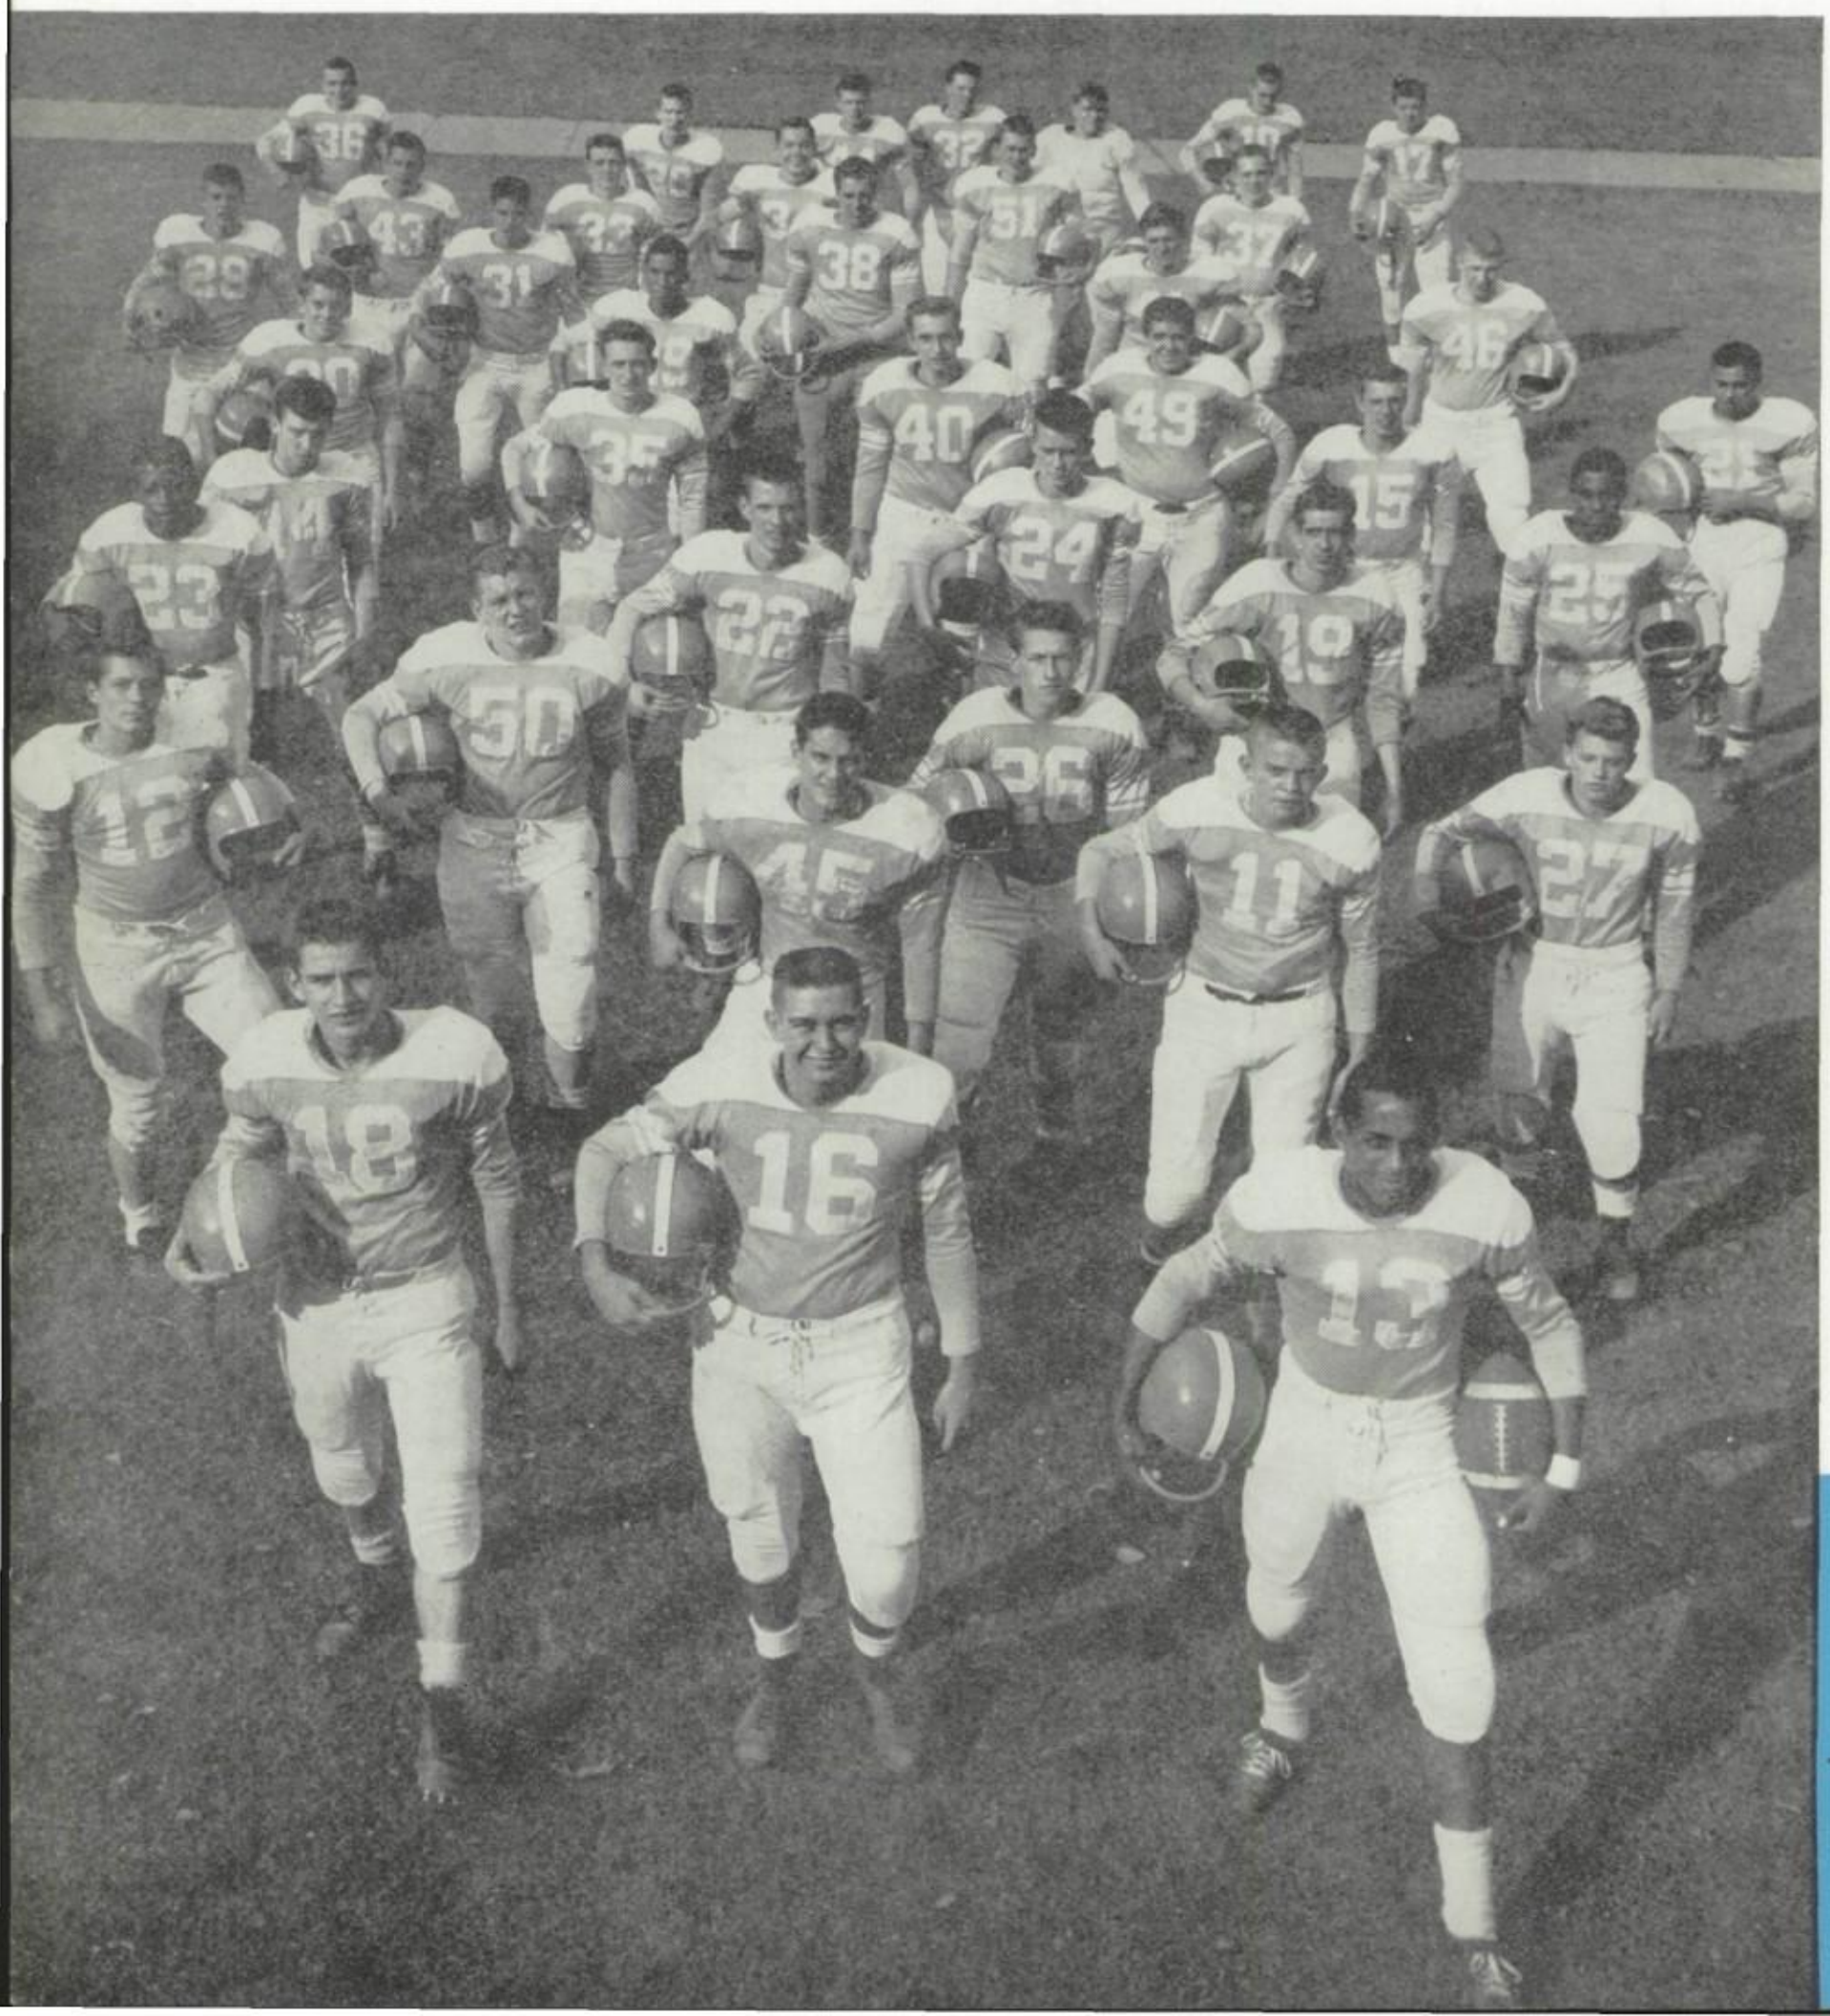
Our first impression of the gigantic halls when we were frightened and bewildered freshmen, the interesting assemblies, the hours of homework — all on the wrong night, of course, those horrible course books, the socials, the election of Sports Queen, the first football game which gave our team real spirit after tying last year's champion, C.V.S., the cheering in the lunchroom, the crowning of the football queen, the A.C.C.L. Assembly to top the drive, the dances given by the Senior Girls Council, the joy given us by our Fighting Indians when they won the Public League Football Championship, the Christmas program, the final examinations, the National Honor Society, the friendships made, and of course the trouble we got out of by the skin of our teeth, and finally, the thrill of graduation, and the sorrow of parting. All these memories and many more will always linger with us.

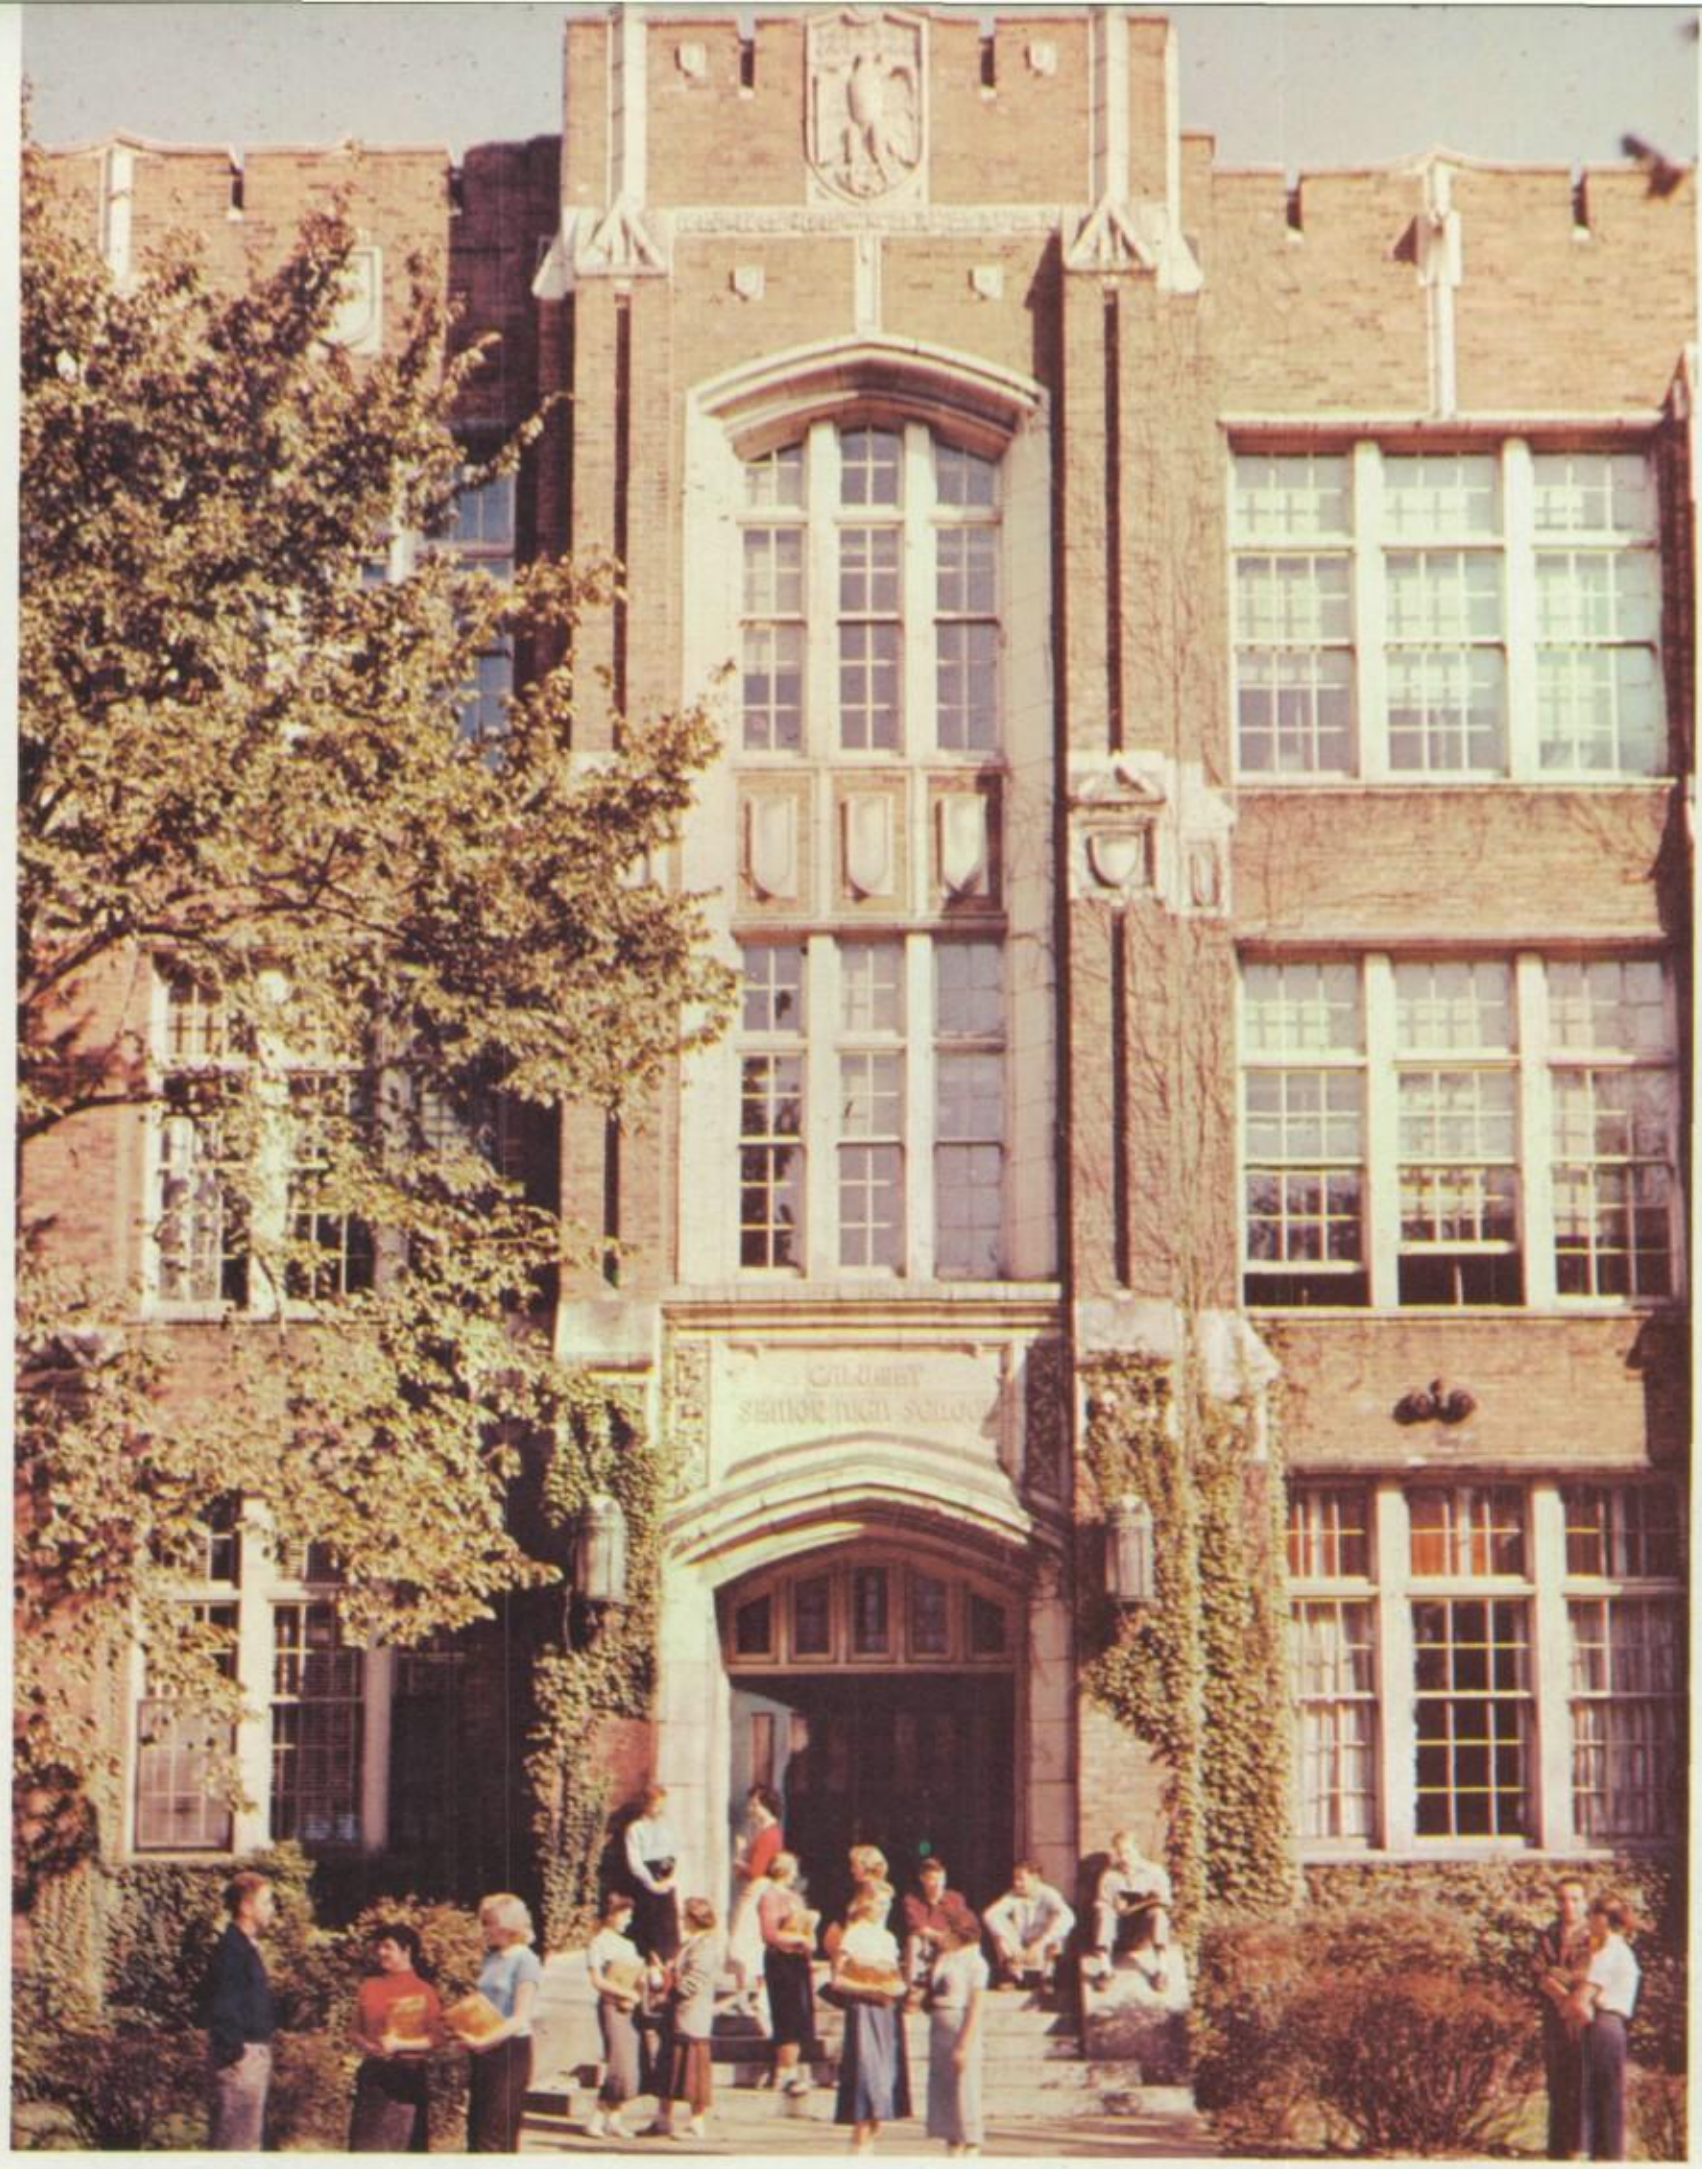
MOMENTS TO REMEMBER

OUR FIGHTING INDIANS . . .

This year we are especially proud to have such a fine football team. Coach Zayner and his associates have built our boys up to an athletic peak. All their hard training was not in vain for they brought back the title of Public League Champions. Our Fighting Indians turned out to be Calumet's good-will ambassadors. So, hats off to our boys.

P.S. Attention, Fighting Indians!
We'll be expecting even greater things from you next season.





FRIENDSHIPS MADE AND KNOWLEDGE GAINED

. . . . CENTENNIAL — 1856-1956

Within the last one hundred years many changes have taken place in our high schools. We have a broader curriculum, many more activities, a more extensive athletic program, and a closer relationship with our teachers. Many more opportunities are offered to young people today.

Education has been defined as preparation for complete living. Its real purpose is to prepare you to meet the responsibilities you will encounter in your civic, social, economic, and spiritual life. We know that the real objective of public education is not to give students merely factual learning, but to provide the means by which they may become better men and women, better members of society, and more useful citizens of their community. We hope that through our present curriculum and through the many school activities in which you have participated, your days at Calumet have been profitably spent.

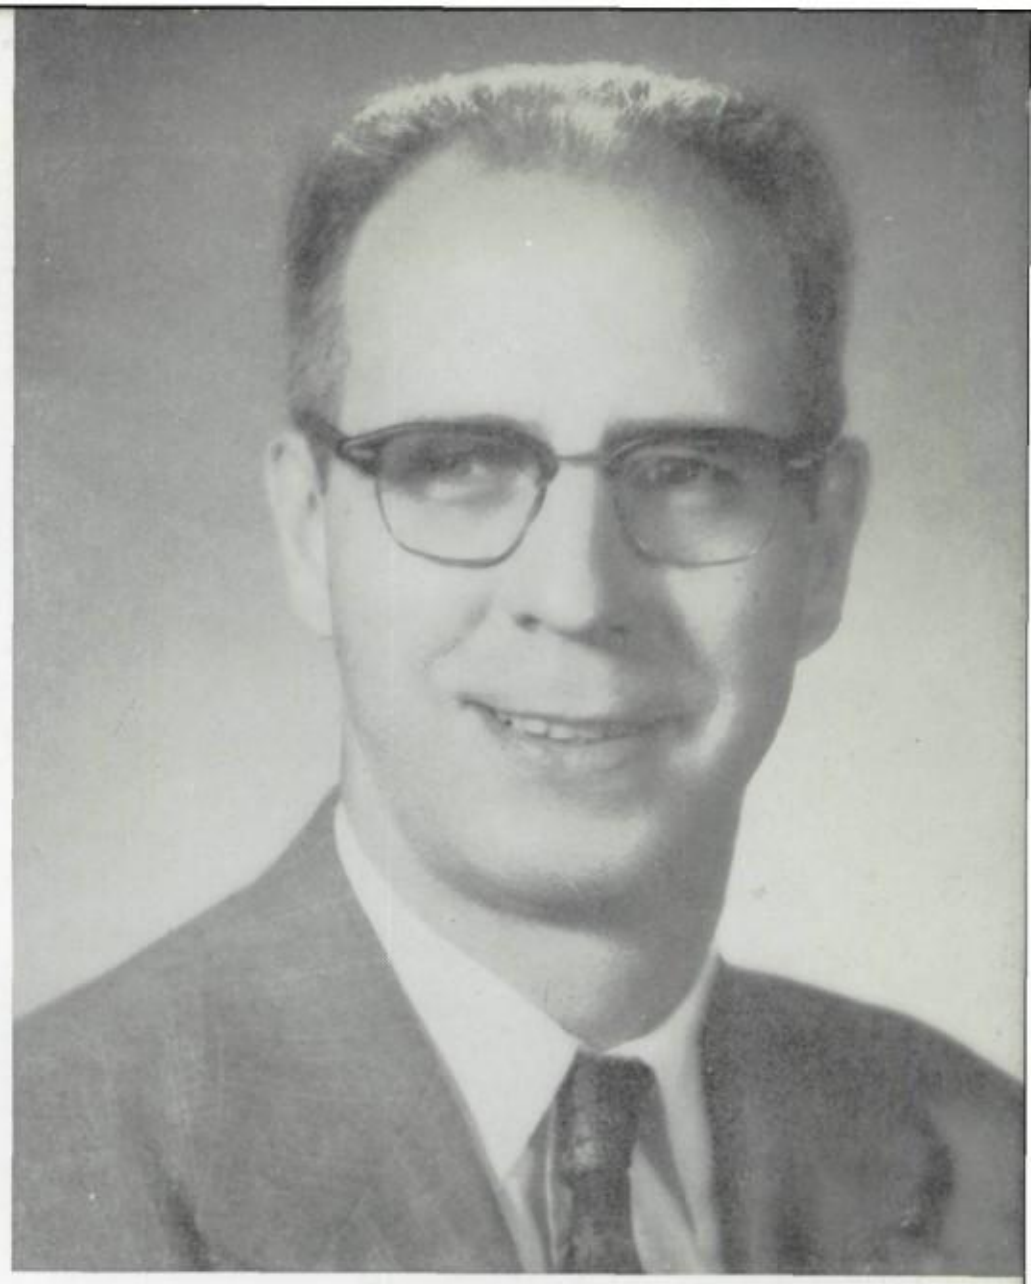
It is now time to say farewell to you, our Seniors. We trust that you have made the most of your high school years so as to be able to meet each new challenge with courage, to accept responsibility willingly, and to do your part to make this world a better place in which to live and work.

We are happy to extend to you our congratulations and best wishes for success in the years to come.

Eleanor M. Fitzgerald

Eleanor M. Fitzgerald, Principal

We are proud to have Mr. Lewis S. Huber as a new Assistant Principal. Mr. Huber attended the University of Illinois, Chicago Normal School, and received his Master's degree in Education from Northwestern University. He worked for the Bureau of Curriculum of the Board of Education before he came to Calumet as an instructor in 1943. Here he taught Industrial Arts, Mechanical Drawing, and Mathematics until 1950. Then he became Attendance Counselor. In October 1956, Mr. Huber was appointed Assistant Principal.



THESE ARE THE FOLKS WE'LL REMEMBER

Whatever you become, leave to yourself and others a time for meditation and reflection. Let there be silence in which to consider the problems of time and eternity.

Evelyn Wm. Auld

Dr. Benjamin C. Willis completed his undergraduate work at John Hopkins University and received his Ed.D. at Columbia. He has been a high school teacher, an elementary and high school principal, and superintendent of schools in Buffalo and New York City. He became Chicago's superintendent of schools in 1955.

Mr. Robert C. Keenan, District Superintendent, has been a principal in an elementary school, and principal of Bowen High School. He has received the following degrees at Loyola University: A.B., M.Ed., LL.B., J.D.

MORGAN PARK, POOR MORGAN PARK,
WHEN THE LIGHTS ARE LOW,
YOU'LL BE BLUE, AS INDIGO,
FOR WE'LL BEAT YOU SO-O-O-O-O-O-O-O,
DON'T THINK YOU COULD EVER WIN,
FOR OUR BOYS ARE RIGHT,
YOUR DEFENSE WILL TUMBLE IN,
SO WATCH OLD CALUMET,
FIGHT, FIGHT, FIGHT.

CLASS HISTORY
JANUARY, 1957

We have arrived! We have reached "the plateau" toward which we have been climbing during our four wonderful years at Calumet. We have progressed from frightened freshmen, suffering sophomores, jubilant juniors to our present senior status.

These years have given us treasured friendships and memories. School socials and elections, A.C.C.L. Assemblies, Calurama, Football games with our cheering the 1956 Football team to the city championship, will always be vividly recalled by us Calites.

Yes, we have arrived — we have reached "the plateau" which four short years ago seemed to be the peak. We are grateful to the faculty of Calumet for aiding us in our climb, and for widening our horizons along the way.

As seniors, we recognize yesterday's peak as today's plateau, and we can find real meaning in Robert Browning's lines: "A man's reach must exceed his grasp or what's a heaven for."

CLASS HISTORY

JUNE, 1957

Four years have passed — four years of class activities, socials, homework, and exams.

In our first year, we experienced a new kind of living. It took some time for us to adjust to our new environment and to learn what such terms as: ACCL, SGC, GAA, and C.O.P meant. The upperclassmen seemed so superior, but, no matter, we lived in a world of our own.

It took us until our second year to realize that we hadn't worked hard enough while we were Freshmen. Now we became aware of the things going on about us — school activities, socials, and sports. Suddenly, we were caught up in the web of school life.

By the time our third year rolled around, we were wondering how we could have been so lax. Looking ahead, we eagerly anticipated the coming of Seniorhood—that great time when halls are penetrable with or without passes, important committee meetings are held every day, and no homework is given!

Alas, our dreams were shattered. Good Heavens! What had we been doing the past three years. No wonder they leave the Senior year until the last—it's the hardest.

Now we are approaching an exciting time including Class Day, the Prom, and Commencement. As we near our departure, we look hopefully forward to college or employment but we also look happily back on the pleasant days we have spent in Calumet, our Alma Mater.

ACTIVITIES

Activities play an important part in the development of every student at Calumet. We are proud of our fine activities; such as clubs, organizations, and student government. Awards are given to those who are not only good scholars, but also to those who have given service to their school. Activities make our school life more enjoyable.

THE '57 TEMULAC

The 1957 Temulac Staff has worked hard during the past year to put out a record of student life at Calumet. We have tried to give to all of you a book that will long be remembered. The Editorial Staff under the leadership of Miss Sobert, the Business Staff under the direction of Mr. Smith, and the Photography Staff through the able leadership of Mrs. Retherford have done their utmost to present to you this 1957 TEMULAC, and we hope you will enjoy it.

TWIRLERS AND DRUM MAJOR

Left to Right: Bernice Robsen; Marilyn Austin; Bob Matheson; Carol Brodine; Sandy Redellic; Diane Scott.

Where does the student body get its school spirit? Much of it can be traced to Calumet's superior band. The concert band consists of 112 members including librarians and baton twirlers. The band plays at most of our football games, parades, and school assemblies; and it also played at Northwestern Big Band Day. This year the band took part in the half time activities of a Cardinal Football game.

The Band Parents Association has done a lot to help the band. A skating party and bake sales were held to raise money toward new uniforms.

The band puts in a lot of hard work for our school, but it has fun too. Picnics and parties, and the fun of just riding the buses to and from special events, help make its task a lighter one.

R. O. T. C.

Our boys in uniform are a fine example of hard-working well disciplined young men. Whether they are marching in a parade, standing at their posts at our assemblies, presenting the colors, or any of their other duties, it makes us proud to know that they go to Calumet.

Organized in 1922, in accordance with the National Defense Act of 1920, the Corps has become a well established part of our high school curriculum. Under the instruction and guidance of Master Sergeant Richard T. Flynn, our Platoon this year claimed the District Championship and placed fourth in the City contest for the top unit in the Chicago area. The R.O.T.C. also claims a Drum and Bugle Corps, a rifle team, and a drill unit.

THE WORK STUDY GROUP

Work study has always been an outstanding offering for senior Calites. Those who take advantage of work study are trained in banks, insurance companies, and business offices for future positions. As these students are learning and earning, they are getting the actual experience of work situations.

OFFICE ASSISTANTS

Hats off to our assistants! These students are the minute men of the school; and their motto is "Service". They are kept busy by the clerks and the teachers running errands, typing, filing, serving as guides for school visitors, and generally making themselves useful. For this valuable aid, these assistants receive a service letter after four semesters of work.

C. A. L.

The Calumet Assistant Librarians, under the guidance of Miss Louise Randall, is an organization whose purpose is to help improve the library. The members are students who help out in the library every day issuing books, arranging shelves, doing clerical work, and aiding other pupils to find information. This group promotes Bow Day from which a revenue is obtained to secure new books.

BOOKROOM

The Bookroom Assistants give us many "behind the scenes" services. They are in charge of keeping track of all the textbooks in the school. Payment for lost books is directed to this group. The bookroom also takes care of lost and found articles. In addition, they keep students notebooks while they are in the library.

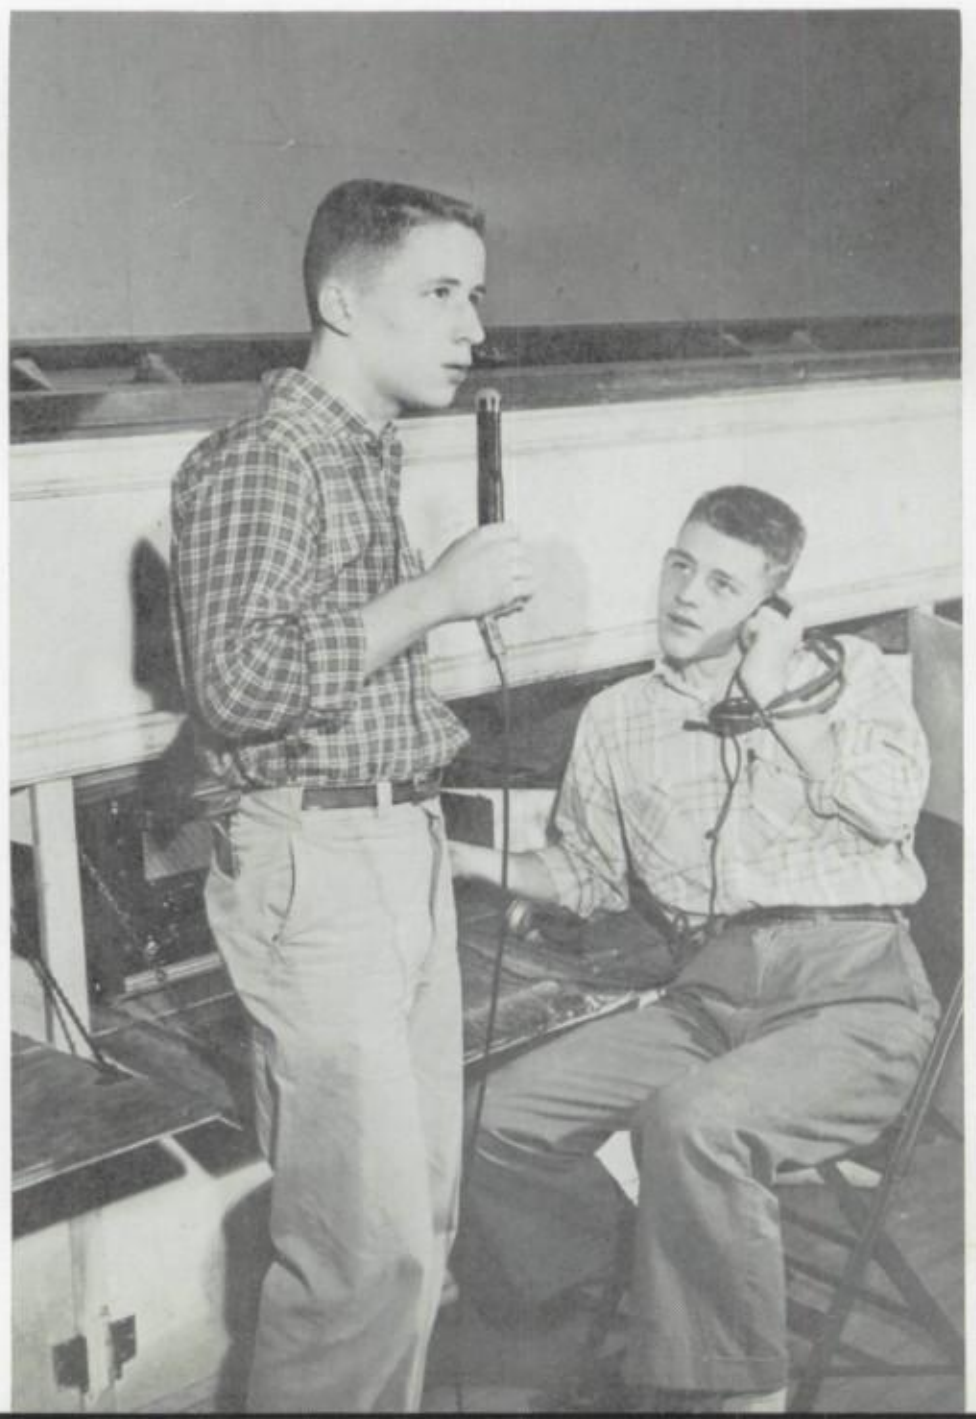
STAGE AND SOUND CREW

Most of us take our assemblies for granted, never giving a thought to the hard work behind the excellent lighting effects, the fine sound system, or the appropriate props and background scenery we enjoy here at Calumet.

Mr. Metz is in charge of this industrious group of boys who are on hand at all of our assemblies, concerts and graduations. The Temulac speaks for all Calumet when we say, "Thanks boys for a fine job."



Poley, Weiss.

JANUARY SENIOR GIRL'S COUNCIL

To be a member of the Senior Girls' Council is a distinction every girl at Calumet hopes to attain. This organization is a group of outstanding 4A girls, under the sponsorship of Miss Ursula Mortimer. Each semester the entire faculty elects the members on the basis of scholarship and character from lists proposed by the session teachers. The officers of the council are elected by the members.

The duties these girls perform are serving their school and their community by acting as hostesses, guides, ushers; they also serve as helpers to school executives, teachers, P.T.A. members, civic organizations and other community groups.

Officers:
Carole Stavrakos, President; Elinor Dow, Secretary; Billie Benz, Vice-President; Betty Miller, Treasurer.

NATIONAL HONOR SOCIETY

To be a member of the National Honor Society is perhaps the most sought after position at Calumet.

To become a member, a student must rank in the upper 15 percent of his class, and have accumulated at least 50 service points. An impressive candle-lighting ceremony is given at which each member receives a gold pin. On the pin are the letters L.S.C.S. which stand for leadership, scholarship, character, and service — goals attained by every member.

The officers of the January NHS were: Les Story, president; Fred Ritschoff, vice president; Nancy Rehling, secretary; Marsha Largen, treasurer. The June officers were: Gordon Guttrich, president; Rich Weixler, vice president, Diana Hofstra, secretary; and Carole Brodine, treasurer.

BIG BROTHERS AND SISTERS

The Big Brothers and Sisters Committee acts as a guide and counsel for the Freshmen.

A Senior boy and girl are assigned to each 1B session to help the Freshmen feel at ease. They try to encourage Freshies to join school activities, acquaint them with the building, and above all, make them feel they have friends, and they are a part of the school.

PARENT TEACHER ASSOCIATION

The smell of coffee coming from 117 tells us that the PTA is meeting again.

The group, under the direction of Mrs. Harold Houser, has done much to further the relationship between parent and school. Their business this year began with a successful membership drive.

Each month the PTA holds an informative and interesting program for the members.

We at Calumet certainly appreciate the work done by this association.

FOOTBALL TEAM

This year's football team finished with the terrific record of eight wins, two ties, and two losses. Under the able leadership of Mr. Zayner, the Calumet eleven became the first White Division team to take the Public League Championship and advance to the final game.

This inspired play earned them the nickname of "Cinderella Team".

However, those who followed Calumet through the whole schedule of games know that it was no quirk of fate or luck. The dogged determination and fighting spirit, along with the exceptional talent displayed, gave the Indians their most potent team in the school's history. Calumet, continually the underdog, always arose to the occasion, no matter what the odds.

Their fabulous record and outstanding play will be a legend, a lasting monument to Cal's Cinderella team.

The boys in this organization realize that they are not going to have the turn-out of people that the major sports have, but they still practice hard and long for their meets and put just as much into winning as do the football or basketball teams. Under the able leadership of Mr. Dygert, wrestling coach, the boys receive a thorough and strict training in the art of wrestling, and they show it when they come up against a rough opponent. This not only pleases Mr. Dygert, but the boys themselves as they realize that hard work really does pay off after all. Calumet took 2nd place in the South Section. Our hats are off to you boys, keep up the good work!!

SWIM TEAM

The Calumet Swordfish, under the leadership of Coach Busch, had a very successful season.

They are now attempting a ten mile relay to better their endurance.

This small but determined group of boys defends Cal's name in the swimming circles. The swim team not only provides the boys with a fun-filled activity, but gives them a taste of sportsmanship and competition.

The Swordfish deserve a big hand for the work they've done this year.

Left to Right: Willet, Edmunds, Otto, Mulhurn, Smith, Allan, Elliot, Shanklin, Weisberg, Brinkman, Copper.

BASKETBALL

In spite of their enthusiastic following, Calumet's Varsity Basketball team under the leadership of co-captains Jim Pavlatos and Bob Winkler, this season, did not have the luck of last year's team. The team started out with its usual fight by sweeping the Southtown Tournament by beating Harper 82-49 in the Championship Game.

They were considered a "Dark Horse Team" in the IIT Tournament as they trounced Kelvyn Park 78-20 and Taft 48-39. They finished eighth in the tournament. Jim Pavlatos was named to the all Tournament team.

Cal's season play was hampered by the mid-season graduation of Robbie Robinson and Jim Pavlatos. The team finished an unimpressive sixth in the South Section. Mike Wayte was named to the Tribune all-city team and selected as most valuable player by his teammates.

Row 2: Palvoic, Mr. Ivers, Nolan, Zingrebe, Winkler, Hansen, Martin, Lermunde, McGuire.

BASEBALL

Mr. Ivers' Indians hope to make a good showing this year. The boys have been practicing and improving themselves even though the weather has been bad. Fenger, Bowen, and C.V.S. will be tough competition, but Coach Ivers has much confidence in the team.

With the help of Lou Heffner, Charles Chappetto, Walter Bollinger, and Bob Hageman, the Indians will push through to victory.

Row 5: Lind, Largen, Bruketta, Hageman, Winkler, Raft, Wayte, Grosskoph, Yanule, Peck, Kamin.

LETTERMEN'S CLUB

Many people realize the Lettermen's Club is for boys who earned their letters in sports or other activities, but few realize the functions of this group. The Lettermen act as fire marshals and lunch room guards, and help to make the school a cleaner and a better one for all Calites. Keep up the good work, boys!

G. A. A. BOARD OF SPORTS

The G.A.A. Board of Sports is composed of 15 peppy girls whose duty it is to promote the Gym department. These girls in blue and white hold their meetings every Tuesday.

With the help of Miss Laura Pearson they plan most of our G.A.A. activities including the posture contest, dances, badminton and ping pong tournaments, and splash parties. The highlight of the year comes when the Sports Queen is crowned at the Christmas assembly.

They also sponsor a Play Day where representatives from other schools come to Cal for a day of fun and games.

LEADERS

"Who are those girls in the white blouses and blue shorts?," ask the bewildered Freshies. "Why of course, they are Leaders," we answer. They are the girls who spend a free period everyday to help referee games. Thursday after school they also "ref". There are often tiresome tasks to be done; such as, putting away gym equipment, and coming early to tournaments, but they do it all without a complaint. At the end of the year, their reward comes in the form of a big party which honors the graduating Leaders.

Dear Marti,

I hope you will remember who wrote this 10 years from now.... Remember me, I'm the fella that had a mad crush on you in 3B.... Well, I probably won't see you again for a while but until then, Au Revoir...

Your Friend,

Dave

Dear Marti

Best of luck to a great girl. I sure will always remember the things we did together at Kalsplatters and the rest. Don't forget me completely
